

GERANIUM'S NEWEST NEIGHBOURHOODS ARE BLOOMING

Boaz Feiner, at right, assists Cardinal Point homeowners with their plants.

Geranium Homes recently held its annual **Neighbourhoods in Bloom** gardening events for homeowners who have moved into its communities in the past year. Last month at **Cardinal Point** in Stouffville, Geranium and **Terra Greenhouses** provided a selection of flowering shrubs, evergreens, perennial plants and topsoil to approximately 80 families living in Phase 5, who braved the wet weather to attend this complimentary event. The following Saturday, residents of The Verandas in Port Hope received their new plants and flowers.

"There's a lot to do when you first move into a new home and often the garden doesn't top the list. These events make it so easy for our homebuyers to get started," says **Boaz Feiner**, president of Geranium's housing division.

CARPENTER WALKS

Durval Terceira

Durval Terceira from the **Carpenters and Allied Workers Local 1030** will be walking from Oshawa to Trenton, a distance of about 120 kilometres over a four-day period in support of **Renos for Heroes**, a organization founded in 2009 by Toronto-based contractor and HGTV host **Jim Caruk**. Renos for Heroes work in association with volunteer contractors and manufacturers in the Canadian home improvement industry and with the support of the Canadian Armed Forces, to help renovate the homes of wounded soldiers.

Terceira will be the only participant in the inaugural Walk for Heroes. In future, however, it will be open to other participants.

Terceira is looking for sponsors for his walk, which will take place October 16-20.

The sun shone down on the sandy beach as people gathered around the fire pit.

A DAY IN THE LIFE AT THE WEST SHORE BEACH CLUB

Have you ever dreamed of living in your brand new beautiful home on the shore of a soothing, cool lake in summer? Over 150 people had an inkling of this luxurious lifestyle recently as they enjoyed a beach barbecue at **West Shore Beach Club** located on the shore of Lake Couchiching, just north of Orillia.

Those who were not yet homeowners toured the two models to get a taste of what life is like at West Shore.

A year-round gated community of just 76 two-storey homes and bungalows located 15 minutes from Orillia, West Shore Beach Club brings four seasons of adventure just beyond your front door.

"Whether people are looking for a primary residence on the waterfront or searching for a vacation home, West Shore Beach Club is the perfect choice," says **Sal Ruscica** of **Summerhill Homes**. "The community offers year-round living with activities like swimming, sailing, canoeing, fishing, skating and more."

The community boasts amenities with extensively landscaped grounds and a fabulous community Marine House with meeting facilities, kitchenette, showers and fire pit. What's more, every homeowner has access to the 300-foot-long private beachfront with floating dock. As an added bonus, residents at West Shore will have a one-year SkyLife membership.
