#### VISTA – REGISTER TODAY

Coming soon, VISTA Flats & Towns will introduce a new way of living in Stouffville with a remarkable collection of condominium one-storey flats and two-storey towns surrounded by nature. VISTA is located where the ground rises at the western edge of Geranium Homes award-winning The Neighbourhoods of Cardinal Point, just east of Highway 48 and north of Stouffville Road. Cardinal Point is Stouffville's 'have it all' master-planned community, a place where neighbours greet each other as they walk or cycle along the 30 kilometre trails in the natural ravine and children's laughter is heard coming from the parkettes and playgrounds which cater to younger residents. Soccer games are often played in the large central park, also a favourite destination for dog walkers. Set within an established community, VISTA will bring impeccable design in single level and two-storey homes to those seeking an affordable home ownership opportunity. Priced in the upper \$300's, these unique layouts will be built with Geranium's superior construction materials and include quality interior finishes.

Residents of VISTA will find getting around is simple; buses run along Millard Street a short walk from the homes, and GO Train and Bus service into Union Station takes approximately one hour from the Main Street Station. VISTA is also close to Highways 404 and 407, and Markham Stouffville Hospital is a 10-minute drive.
